R3/B7. 25/347

The President of the District Board proposes the establishment of Local Fund Dispensaries at an initial cost ofRs.1,000/- and a recurring cost of Rs.100/- or Rs.111 or Rs.120(plus Rs.50 on Europe Medicines) per mensem, in each case, at the ten villages mentioned in his letter dated 12th June 1927, the paper under disposal.

The Government share of the cost will be Rs.800/- (initial) and Rs.85/- (being Rs.35/- the pay of the Passed Sub Assistant Surgeon and Rs.50/- cost of Europe Medicines) per mensem in each case.

It is further seen from the President's letter that only six out of the ten institutions are to be treated as Local Fund Dispensaries for which the Board will pay its quota of the initial and recurring charges.The remaining four dispensaries are proposed to be treated as Malnad Improvement Dispensaries to be maintained from the Grant for Malnad Improvement.

I am agreeable to the establishment of Local Fund Dispensaries at the marginally named six places in respect of which the Board is willing to bear its quota of cost. As regards the remaining four places the proposal to meet the entire cost from the Malnad Improvement Grant can only be accepted if the places are actually in the area coming under the operation of the Malnad Improvement Scheme, information regarding which will have to be obtained either from the Deputy Commissioner or the District Board President who may have maps of the areas. The mere fact that the present Vaidyasalas at Kesgode, Gendehalli, Mallipatna

1.Bylhalli, 2.Grama, 3.Halebid 4.Gandasi, 5.Nuggihalli and 6.Hallimysore.

Mallipatna and Ponnathapur are maintained from the Malnad Improvement Grant cannot be accepted as indicating that these villages are actually situated in the Malnad Improvement area.

I am opposed to the idea of utilising any portion of the Malnad Improvement Grant in any area other than the Malnad Improvement area or for any purpose other than those mentioned in the scheme, merely on the ground that funds are available to spare from the Malnad Improvement Budget.

Another point is that, there is only a provision of Rs.6,000/- made in the current year's budget for opening new dispensaries. Out of this, the cost of the Talkad Dispensary and of the Tuberculosis Dispensary in the Mysore City and of the Female Dispensary at Nanjangud, to be shortly opened, will have to be met and there will hardly be money left for opening two more institutions in the current year. It will therefore be impossible to open all the ten new institutions this year, so that, the proposal if sanctioned, can only be carried out in three or four years, by making necessary provision in the State Medical Budget as well as the District Board Budget. As the Medical needs of the other districts will also have to be provided for by the Government, it does not seem possible to open more than two dispensaries in a year in the Hassan District.

Subject:—

Conversion of certain Unani and Ayurvedic Medical Institutions in the Hassan District into Local Fund Dispensaries on a reduced scale of expenditure.

The problem of bringing medical relief within the easy reach of the rural population has been engaging the attention of Government for some time. It appears to Government that as the opening of standard Local Fund Dispensaries involve large outlay, the settling of Medical Practitioners in rural areas on the lines obtaining in British India and the conversion of indigenous Ayurvedic and Unani Dispensaries into Local Fund Dispensaries may perhaps produce a quicker extension of medical relief into the interior areas of the State and would also provide qualified medical men to minister to the needs of the people. A few medical men have already been settled in a few localities and the matter has been brought to the notice of His Highness in my Final Note dated the 28th January 1927.

As regards the scheme of converting Ayurvedic or Unani Dispensaries into Local Fund Dispensaries on a reduced scale of expenditure, the Hassan District Board took the initiative in this matter. The idea is to replace a number of Unani and Ayurvedic Dispensaries by economical but efficient Local Fund Dispensaries on a reduced scale of expenditure in charge of a qualified passed Sub Assistant Surgeon. The reduction in cost is proposed to be effected by deleting bedding and clothing from the initial equipment and by limiting the furniture to the most necessary articles, viz., an office table with drawers, two chairs, two benches, one stool, one almirah and one compounding table. The initial cost of equipment is thus brought down from Rs.1,500 to Rs.1,000, (Rs.800 for medicines, instruments and appliances and Rs.200 for furniture). The maintenance charges are proposed to be reduced by paying the passed Sub Assistant Surgeon in charge a pay of Rs.35 instead of Rs.50. Only one servant will be allowed instead of a Dispensary attendant and a waterman as in regular dispensaries. The details of the recurring cost will be

(18

as shown below:-

Pay of passed Sub Assistant Surgeon,	...	Rs.35
Charge allowance to him, ...	...	" 10 or 15 or 20.
Pay of Compounder and allowance (Malnad)	...	" 20 or 21 or 22.
Pay of Midwife and allowance (Malnad)	...	" 20 or 25 or 28.
Pay of servant, ...	...	" 10
Contingencies, ...	...	" 5
		Rs. 100 or Rs.110 for semi-malnad or 120 for malnad.

Of this, Rs.35 being the pay of the passed Sub Assistant Surgeon, will be borne by Government and the balance by the District Board. A sum of Rs.500 on account of Europe medicines and Rs.100 on Country medicines will also have to be met annually by the Government and the District Board, respectively.

This scheme was approved by the District Board, Hassan District and about 10 indigenous institutions of the District have been ordered to be thus converted into Hospitals of the nature above suggested, on a reduced scale of expenditure.

The Kolar and Chitaldrug District Boards have also taken up the idea and have submitted proposals for starting an experimental dispensary of this nature.

The matter is submitted for the gracious perusal of His Highness.

MEMBER OF COUNCIL.

NOTE—Contn. sheet.

Office of the Senior Surgeon in Mysore,

Bangalore, dated 16th April 1927.

No. 4.C.360-39.&24-25 18th Med 49-25-83

Enc. One.

From

Dr. B. Mahomed Usmon, L.M.S.,
Senior Surgeon in Mysore, Bangalore.

To

The General Secretary
to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

With reference to your letter No.G.10944-Med. 49-25-83, dated 9th April 1927, requiring my opinion on the proposal made by the President of the Hassan District Board in his letter No.C.127-26, dated 9th March 1927, about the conversion of certain Vaidyasalas in his district into Local Fund Dispensaries on a reduced scale, I have the honour to forward herewith, for information, a copy of my letter No.C.2426-1 dated 14th April 1926, to the President, giving my opinion on the subject.

It will be seen that the reduction in cost is proposed to be effected by deleting bedding and clothing from the initial equipment and by limiting the furniture to the most necessary articles, viz., an office table with drawers, two chairs, two benches, one stool, one Almirah one compounding table. The initial cost of equipment is thus brought down from Rs.1,500/- to Rs.1,000/- (Rs.800 for medicines, instruments and appliances and Rs.200/- for furniture). The maintenance charges are proposed to be reduced by placing the institutions in charge of qualified hands of the status of Passed Sub Assistant Surgeons on Rs.35/- instead of Sub Assistant Surgeons on Rs.50/- Only one servant will be allowed instead of a Dispensary Attendant and a Waterman in regular dispensaries. The details of recurring cost will be as shown below:-

23

Pay of Passed Sub Assistant Surgeon	...	Rs.35/-
Charge allowance to Do.	...	Rs.10/-or 15/- or 20/-
Pay of Compounder and allowance (Malnad)		Rs.20/-or 21/- or 22/-
Do. of Midwife* and allowance (Malnad)		Rs. 20/-or 25/- or 28/-
Pay of servant ...	...	Rs.10
Contingencies ...	...	Rs. 5/-
	Total...	Rs.100 or 111 for semi-malnad or 120 for malnad.

* wherever one has already been employed.

Of this, Rs.35/- being the pay of the Passed Sub Assistant Surgeon will be borne by Government and the balance by the District Board. A sum of Rs.500/- on account of Europe medicines and Rs.100/- on Country Medicines will also have to be annually met by the Government and the District Board, respectively.

If the District Board is willing tobear the initial and recurring cost as mentioned above, the proposal may be sanctioned.

I have the honour to be,

Sir,

Your most obedient servant,

Wilmot

Senior Surgeon.

Letter No. C. 2426-1, dated 14th/15th April 1926 from the Senior Surgeon in Mysore, Bangalore, to the ~~Senior~~ President, District Board, Hassan District, Hassan.

With reference to your letter No. 634 dated 20th March 1926, calling for my views on the subject of extending proper medical aid in rural areas on a reduced scale of expenditue, I have the honour to state as follows:

Although I agree that these outlying dispensaries need not be expected to treat in-patients or perform operations and that such cases might go to the institutions at Taluk or District Head Quarters yet, the Sub AssistantSurgeon in charge will have to be prepared to extract a loose tooth, to open an abscess, or to deliver a difficult or complicated labour case which may happen to be beyound the capacity of the midwife, Necessary facilities for all this work will therefore have to be provided, so that the initial supply of medicines, instruments and appliances will have to be made on the same scale as that of an ordinary dispensary. As regards furniture, a chair and a prescribing table, a compounding table, one or two benches, a teak wood box, andan almirah for keeping medicines and instruments, will have to be provided. Bedding and clothing may be altogether eliminated. Thus, the initial cost on equipment which is usually estimated at Rs.1,500/- may be reduced to about Rs.1,200/- or even to Rs.1,000/-

As regards recurring charges, it will be sufficient to post a Passed Medical Pupil on Rs.35/- with the usual charge allowance of Rs.10, Rs.15, or Rs.20/- according to the nature of the locality, in charge of these dispensaries. A compounder and midwife each on the minimum of the scale of pay of those grades, viz., Rs.20 with the usual malnad or semi-malnad allowances (if the locality be malnad or semi-malnad), and a servant on Rs.8 or 10 as the case may be, will constitute the staff of these dispensaries. A contingent allowance of Rs.5/- per mensem will have to be given. The annual supply of Europe medicines may be put down at Rs.500/- and the cost of country medicines at Rs.100/-

25

As usual, the pay of the Passed Medical Pupil in charge and the cost of Europpe medicines will be met by Government and the remaining charges, b th initial and recurring, will have to be borne by the local board concerned. If free accommodation cannot be secured, the rent that will have to be paid for the buildings for locating the dispensaries and for the residence of the staff, will also have to be met by the Board, as it will not be possible to expect these low paid hands to pay rent for the accommodation to be provided for them

As soon as each member on the staff becomes eligible for promotion or increment such member may be shifted elsehwere and be replaced by another hand on the minimum pay as statedabove

I request you will be so good as to place the matter finally before your District Board and favour me with their views and also fix the number of such institutions which could be opened in your District during the next official year. A very early reply is solicited so that necessary provision may be arranged to be made in the Budget.

"Copy."

(THROUGH THE DEPUTY COMMISSIONER, HASSAN DISTRICT).

Sir,

With reference to your letter No. C.127-26, dated the 9th March 1927 about the conversion of some of the existing Unani and Ayurvedic Dispensaries into Local Fund Dispensaries on a reduced scale of expenditure, I am directed to forward herewith a copy of letter No. G.C.360-39, dated the 16th/18th April 1927 from the Senior Surgeon in Mysore on the subject. I am to state that your proposal to convert inefficient Unani or Ayurvedic Institutions into efficient dispensaries in charge of a qualified L.M.P. has the approval of Government and I am to request you to be so good as to state whether the local bodies concerned are prepared to meet their quota of the charge of these institutions as proposed by the Senior Surgeon. The favour of an early reply is requested.

I have the honor to be,
S i r,
Your most obedient servant,

(Sd) R. Ranga Rao,

GENERAL SECRETARY TO GOVERNMENT.

OFFICE OF THE DEPUTY COMMISSIONER 3030 18 JUN 1927 HASSAN

Sir,

With reference to your letter No.G.1269/Med. 49-25-87, dated 1st June 1927, forwarding copy of letter No.G.C.360-39, dated 16/18th April 1927, from the Senior Surgeon in Mysore about the conversion of some of the existing Unani and Ayurvedic Dispensaries into L.F.Dispensaries and intimating the approval of Government to the proposals and enquiring whether the local bodies are prepared to meet their quota of the charge of these institutions as proposed by the Senior Surgeon, I have the honor to state that the Board are prepared to bear their quota of cost and to request that you will be so good as to kindly obtain early orders of Government in the matter and to issue necessary instructions to the Senior Surgeon to have the ten Vydyasalas noted in the margin converted into the said type of Dispensaries as already resolved by the District Board, in resolution No. 6 (2), at their meeting held on the 13th and 14th Novr. 1926.

1. Bylahalli
2. Grama — Hassan Taluk.
3. Halebid
4. Kesgode — Belur "
5. Gendehalli. — (the latter two being M.I. Vydyasalas)
6. Gandasi *
7. Nuggihalli ※
8. Halli-Mysore — Hole-Narsipur Tk.
9. Mallipatna @ — *Arsikere Tk.
10. Ponnathapur ○ — ※Chennarayapatna

(@ M.I.Vydyasala in the Arkalgud Taluk

○ M.I.Vydyasala in the Alur Sub Taluk.

As regards the cost of converting the Vydyasalas at Kesgode and Genedehalli in Belur Taluk, Mallipatna in the Arkalgud Taluk and Ponnathapur in the Alur Sub Taluk into L.F.Dispensaries, the entire cost will have to be borne by Government under the Malnad Improvement Scheme as is being done for the Vydyasalas now.

Further, the scheme proposed for locating the L.F.Dispensary at Kundur in the Alur Sub Taluk, may also be changed and the one of the above kind may be established at that place, since it is not quite possible for a stranger to get on without a servant, a compounder etc. Such schemes may be workable in places where philanthropic public spirited and local Medical practitioners who endear themselves to the public may be available or in places where retired qualified medical men may have settled themselves, or in busy places like Bangalore and Mysore.

I have the honor to be,
Sir,
Your most obedient servant,

President,
District Board, Hassan.

Forwarded with compliments.

Deputy Commissioner,
Hassan District.

R E A D :-

Letter No.G.C. 360-39 dated the 16th/18th April 1927 from the Senior Surgeon in Mysore furnishing his opinion on the proposal of the President, District Board, Hassan District, about the conversion of certain existing Unani and Ayurvedic institutions in the District into Local Fund -- Dispensaries, on a reduced scale of expenditure.

2. Letter No.C.127-26 dated the 10th June 1927 from the President, District Board, Hassan District, stating that the District Board, are prepared to meet their quota of the cost of the conversion of these indigenous institutions into Local Fund Dispensaries, that the cost of the institutions to be established at Kesagodu, Gondihalli, Mallipatna and Ponnathapur, may be met -- entirely from State Funds, as these institutions are at present maintained from the Malnad Improvement Grants, and that the experimental institution at Kundur may also be converted into a Local Fund Dispensary.

3. Un-Official Note No.18 dated the 13th July 1927 of the Senior Surgeon in Mysore, reporting that he is agreeable to the establishment of Local Fund Dispensaries at the marginally* named six places, in respect of which the District Board is willing to bear its quota of cost, that the question of meeting the entire charges on account of the proposed conversion of the institutions at Kesgode, Gondihally, Mallipatna a-

Ponnathapur, and maintaining them entirely from State Funds, raised by the President, requires further investigation, and that the proposal, if sanctioned, can only be carried out in three or four years, by -- making necessary provision therefor in the State Medical Budget, as well as the District Board Budget.

ORDER No:- G 2231-53

Bangalore, dated 26 August 1927.

Government are pleased to sanction the establishment of Local Fund Dispensaries at the marginally*noted places with establishment and other charges as noted below:-

* Bylhalli
Grama
Halebid
Gandasi
Nuggihalli and
Halli-Mysore.

Pay of Passed Sub Assistant Surgeon ...	Rs.35/- per mensem.
Charge Allowance to --do-- ...	Rs.10/- or 15/- or 20/-
Pay of Compounder and allowance (Malnad)	Rs.20/- or 21/- or 22/-
Pay of Midwife* and allowance (Malnad)	Rs.20/- or 25/- or 28/-
Pay of Servant	Rs.10/- per mensem
Contingencies	Rs. 5/- --do--
	Rs 100 per mensem or 111 for semi-malnad or 120 for malnad.

(* Whereever one has already been employed.)

Of this, Rs.35/-, being the pay of the Medical Officer, will be borne by Government and the balance by the District Board. A sum of Rs.500/- on account of European Medcines and Rs.100/- for country medicines, per annum, will also be met by the Government and the District Board, respectively. The Senior Surgeon is requested to point out the source for meeting the Government share of the charges during the current year for as many as is possible.

2. The establishment of Malnad Improve-
ment

(36)

Improvement Dispensaries at Kesagode, Gendahalli, Mallipatna and Ponnathapur is also sanctioned, as all these villages are -- situated in malnad areas.

3. The Senior Surgeon is requested to submit proposals for the opening of such of these institutions as cannot be opened this year, during the course of the next two or three years, in the order of their urgency, in consultation with the President, District Board, Hassan District, after the necessary provision in the budget estimates of the Medical Department and of the District Board, Hassan District, have been made.

As regards the experimental dispensary for Kundur, Government are desirous of watching how the institution started under the scheme for inducing medical practitioners to settle down in rural areas would work.

SIR,

SUBJECT: Conversion of the existing Unani and Ayurvedic dispensaries into Local Fund Dispensaries on a reduced scale of expenditure.

With reference to your letter No. G. 13263-70/Med.49-25-90 dated 27th June 1927, enquiring if the District Board is agreeable to the conversion of the existing Unani and Ayurvedic Dispensaries into Local Fund Dispensaries on a reduced scale, I have the honor to state that the matter was considered by the Standing Committee and the District Board at their meeting held in January 1928 and they have resolved that it is not possible to convert the existing Ayurvedic and Unani Dispensaries into Local Fund Dispensaries on a reduced scale of expenditure. An extract from the proceedings of the meeting is herewith attached for favour of perusal.

G.O. 49/27-28/Revn.
Forwarded with compliments.

I have the honor to be,
Sir,
Your most obedient Servant,
